

Alliant Communities Preservation Job Description: Senior Vice President, Investments

Department Overview

At Alliant Communities Preservation, we are dedicated to creating inclusive communities which provide safe, attainable, and affordable homes for individuals and families of all backgrounds. Our team has decades of combined experience creating and managing affordable multifamily communities with varied amenities for residents. We continually strive to create attainable high-quality living experiences in all the communities we create.

Primary Responsibilities

- The Senior Vice President, Investments will be a senior team member and will participate in the development and deployment of the company's capital raise and asset acquisition strategy and will provide input toward developing the business.
- The SVP's primary responsibilities will include underwriting potential investments, recommending risk mitigation strategies for assets as appropriate, and participating in the company's investment committee.
- The SVP will also work with the Asset Management team to maximize the financial results of the company's assets.
