

Alliant Communities Preservation Job Description: Vice President, Asset Management

Department Overview

At Alliant Communities Preservation, we are dedicated to creating inclusive communities which provide safe, attainable, and affordable homes for individuals and families of all backgrounds. Our team has decades of combined experience creating and managing affordable multifamily communities with varied amenities for residents. We continually strive to create attainable high-quality living experiences in all the communities we create.

Primary Responsibilities

- The Vice President, Asset Management will have primary responsibility for asset management of operational properties, including working directly with property managers to improve property financial results, managing challenges when and as they arise at the properties, and preparing communications with investors and ownership regarding property operations.
- The Vice President will also lead the company's impact investments, including relationships with non-profits and third-party service providers for properties within the Company's portfolio
